ACCIDENT INSURANCE PLANS

for all students and athletes

SCHOOL-TIME STUDENT ACCIDENT COVERAGE: Helps protect your students the entire school year, during regular school sessions, as well as when participating in other school-sponsored activities requiring the attendance of the student. Also provides protection for your students while traveling in a Designated Vehicle directly to or from the student's Residence and school to attend or participate in school activities. The expiration date of coverage shall be the close of the regular nine-month school term, except while the Insured is attending academic classroom sessions exclusively sponsored and solely supervised by the school during the summer.

24-HOUR-A-DAY ACCIDENT COVERAGE: Provides protection for your students 24-hours-a-day, year-round and continues until the end of the Policy Year. The student is protected AT HOME, AT SCHOOL, AT CAMP, ON VACATION. . . ANYWHERE ACCIDENTS CAN HAPPEN.

SPORTS ACCIDENT COVERAGE: Interscholastic sports (including practice) are covered by the School-Time and 24-Hour-A-Day Accident Coverage. Travel is also covered when going directly and uninterruptedly to and from practice or competition when traveling as a group in a Designated Vehicle. High school tackle football for grades 9 through 12 is only covered by the optional Football Only Accident Coverage, which requires an additional premium.

FOOTBALL ONLY ACCIDENT COVERAGE: Players in Grades 9 through 12 are covered for accidents occurring while participating in high school interscholastic tackle football practice or competition. Travel is also covered when going directly and uninterruptedly to and from such practice or competition when traveling as a group in a Designated Vehicle.

EFFECTIVE COVERAGE DATES: Coverage will be effective on the date of premium receipt by GTL, its representatives or school officials, or the official first day of school, whichever is later.

For interscholastic sports, coverage can pre-date the official first day of school for students who are participating in pre-school practice sessions, competition or covered travel. In such cases coverage will be effective as of the date of premium receipt but only while participating in actual practice sessions, competitions or covered travel. Other aspects of coverage will not commence until the official first day of school.

Football Only Accident Coverage begins on the date of premium receipt by GTL, its representatives or school officials, but not prior to the first official date of practice sanctioned by the State High School Association and continues through the date of the last official game of the 2024 season, including playoffs. Other aspects of coverage will not commence until the official first day of school.

TERMINATION OF POLICY/CERTIFICATE OF COVERAGE: Policyholder: The Policy is issued for the agreed upon term of coverage and is non-renewable. Certificateholder: Coverage will terminate at the earlier of: (1) the date the Policy terminates; or (2) the date the Insured ceases to be a member of the Policyholder's sports teams; or (3) the last day of regularly scheduled sports activity; or (4) the date the Insured ceases to be an Eligible Person; or (5) the end of the period for which any applicable premium has been paid. We have the right to terminate the coverage of any Insured who submits a fraudulent claim under the Policy.

EXCESS PROVISION (IA, KY, MN, MO, NE SD & WY): All Covered Charges over \$100 will be considered for payment on an Excess basis if any Other Valid and Collectible Insurance or Plan covers the Insured person. GTL will pay the first \$100 in Covered Charges regardless of other insurance.

EXCESS PROVISION (KS): GTL's liability for benefits payable on account of expense incurred, for any hospitalization, medical surgical, and other services resulting from covered Injury of the Covered Person, shall be limited to that part of the expense, if any, which is in excess of the total benefits payable for the same loss, on a provision of service basis or on an expense incurred basis under any medical or service contract, self-funded plan, automobile medical payment coverage, or any plan under federal, state or local law (except Medicaid).
