

### **Notice of Child Find**

Fremont County School District #2 is responsible for Child Find identification and evaluation for all students suspected of having a disability residing in the district. This includes children age 3 through 21 years of age who are in public schools, private schools, are being home schooled, or are kindergarten eligible, but not enrolled. Early identification and intervention is essential to help ensure school success.

If a child is having significant difficulty with vision, hearing, speech, behavior, is experiencing slow development typical for his/her age, physical impairments, or learning difficulty, he/she may be a child with a disability. If there is a child attending your school/program whom you suspect may have a disability, please contact the following school personnel so we can initiate the process for referral and assessment: Martha Gale, Superintendent/Special Education Director (307) 455-5516.

The district provides voluntary Child Find screening services through coordination with Child Development Services of Fremont County. Fremont County School District No. 2 meets the mandated Child Find requirements of the IDEA.
